

REPORT ON SURVEY

DATE: 17/02/17

WE went siddhart colony Chembur naka for survey it was old area there was so many people who lives from 50 years .some were arguing many of the parents were ashamed to tell us that there children are studying in BMC school there was one man we ask question to him but he was not ready to answer but we kept on asking him question and he answer to my question, why he didn't study further so he like our question and he kindly reply he said I was elder of all my sibling and all there responsibility was on my shoulder I have to do my sister marriage that was the big reason for my drop out .some student have many problem in the school teacher were not regular ,discipline issues ,toilet not cleaned and also mid-day meal was not good .

SURVEY REPORT NO. 3

DATE: 18/02/17

We are doing survey in Chembur naka siddhart colony today we have done survey of 10 house one house we done survey the lady was saying I lost interest due to studies because the teacher was very strict that teacher stand her in the rain some of them were facing poverty problem all houses which we have seen is only single room they were living on rent some of them they don't have even pan card .in same house girls were going to BMC school were as boys of the same house they were going to Private school. Some of them get mirror piece in their mid-day meal .toilet were uncleaned and stings therefore they don't use toilet.
