

Date :- 17/2/2017

Place :-Bainganwadi

- Govandibainganwadi area we visited the people live in chawl in small houses they have many children and they do not even know their children names also.
- In one family father was not earning because of that the son had to work and could not go to school.
- In one family father was died so that mother has to earn but she gets very less salary and could not fulfill her children needs.
- One children told that they found stones in food so the parents complaint about food quality
- They have so many children that the mother do not aware of the age of the children.
- In one family parents had married early means in children how they have 3 children but father does not have proper job she send her children to BMC school so that they can eat one time meal over there and children bring that food at home also for other family members.
- Teacher told to open accounts in the bank and she told we have to pay no money to open an account but when parents went they told they have to pay money to open an account.
