PILLAI HOCL EDUCATIONAL CAMPUS

An Initiative by

MAHATMA EDUCATION SOCIETY

A Pioneer in Education since 1970.

ABOUT MAHATMA EDUCATION SOCIETY

Mahatma Education Society (MES) is the materialization of national aspirations. Our organization has altered past definitions of education as a provided service, to education as a fundamental right and a tool of progress. Through encouraging our students' personal proactive development, MES enables future generations to create an affirming social and economic impact in the modern world.

Our Founder, Chairman, and CEO, **Dr. K. M. Vasudevan Pillai**, and the Secretary **Dr. Daphne Pillai** began **Mahatma Education Society's Pillai Group of Institutions** from the seed of a single school in 1970. **MES** has now flourished into an abundance of superior quality institutions delivering pioneering research and educational services to the students of all levels.

Mahatma Education Society embarked upon its vision of **"Education for all"** with the formation of Chembur English High School in Mumbai more than 50 years ago. The intuition, dedication, global outlook, tenacious struggle, and undaunted spirit of Dr. K. M. Vasudevan Pillai, and the forward-looking, untiring energy of Dr. Daphne Pillai, has now transformed Mahatma Education Society into a vast educational organization. It is spread over in **six elegant campuses** at Chembur, New Panvel (Sector 7), New Panvel (Sector 8), New Panvel (Sector 16), Borivali (Gorai), and Rasayani (Raigad District).

The society now manages a total of **48 educational institutions** providing quality education from kindergarten to Postgraduate professional courses in the faculties of Engineering, Architecture, Management, Teachers Training, Arts, Science, and Commerce to more than **30,000 students with 2,000 Teachers and 1,500 members of Non-Teaching Staff.**

Institutions managed by Mahatma Education Society are affiliated to the **University of Mumbai**, **approved by AICTE / COA / NCTE / MSBTE**, **recognized by the Directorate of Technical Education (DTE), Government of Maharashtra**, and **accredited by competent authorities such as NAAC, NBA & NIRF.**

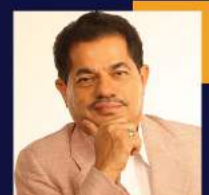

OUR VISION

Mahatma Education Society aims to provide high-quality education to all students equally, irrespective of region, religion, caste, and economic strata, with the purpose of creating better future leaders who can compete with students from all over the world and are intense catalysts of evolving our society.

OUR MISSION

MES is driven to provide: excellent education, a challenging learning environment, support services, and extracurricular activities that help students from different economic and social strata enhance their personalities, improve their skills, and qualify them for global competency and professional life post-graduation.

A MESSAGE FROM OUR FOUNDER & CHAIRMAN

"I believe that globalization as a process is taking place independently of us. We have no option but to recognize it, understand it, and avail of its opportunities. In a globalized world, there is no room for an economy delinked from world trade and progress. If we do not gain the necessary skills to compete and if we do not make these skills explicit to the world, we will be left behind.

The realities of globalization are this: our children will no longer compete against children from other states but with children from all over the world. Hence, the technologies they work on should be as contemporary and cutting-edge, the learning environment as inspiring and revealing, and their horizons just as vast."

- Dr. K.M. Vasudevan Pillai
Founder, Chairman & CEO

PILLAI HOCL EDUCATIONAL CAMPUS

HISTORY

In 2007, Mahatma Education society established the Pillai HOCL Educational Campus situated in the township of Rasayani, Navi Mumbai; invited by Hindustan Organic Chemicals, a large public sector undertaking, to enter into a unique public sector – private sector partnership and to develop an educational township catering to the comprehensive academic requirements of the region of Raigad & Navi Mumbai. It was a first-of-its-kind alliance in the history of Indian education.

The first college established in the campus in 2008 was the College of Arts, Science and Commerce. It started with B.Sc. in Information Technology and B.Sc. in Computer Science.

Over the years, the Campus expanded rapidly and is now home to an architecture college, an engineering and polytechnic college, a management institution, a college of arts, science and commerce, and a teacher training college. We are proud to say that it is now one of the biggest educational campuses in India.

PHCASC

PILLAI HOC COLLEGE OF
ARTS, SCIENCE, AND COMMERCE

PILLAI HOC COLLEGE OF ARTS, SCIENCE AND COMMERCE (PHCASC)

Pillai HOC College of Arts, Science and Commerce was established in 2008. It was the first college in the Pillai HOC Campus and has grown to become one of the biggest degree colleges in Maharashtra.

PROGRAMS CONDUCTED

The college conducts the following Undergraduate courses of 3 years comprising six semesters, and Post-Graduate courses of 2 years comprising four semesters, which are affiliated to the University of Mumbai.

Arts Section:

- **BACHELOR OF ARTS – (B.A.)** (English Ancillary, Economics & History)
- **BACHELOR OF ARTS – (B.A.M.M.C.)** (Mass Media & Communication)

Science Section:

- **BACHELOR OF SCIENCE – (B.Sc. CS.)** (Computer Science)
- **BACHELOR OF SCIENCE – (B.Sc. IT.)** (Information Technology)
- **BACHELOR OF SCIENCE – (B.Sc. DS.)** (Data Science)
- **BACHELOR OF SCIENCE – (B.Sc. HS.)** (Hospitality Studies)
- **BACHELOR OF SCIENCE – (B.Sc.)** (Maths, Physics, Chemistry & Bio.)

Commerce Section:

- **BACHELOR OF COMMERCE – (B.Com.)** (Regular)
- **BACHELOR OF COMMERCE – (B.Com. A & F)** (Accounting & Finance)
- **BACHELOR OF MANAGEMENT STUDIES – (BMS)**

Postgraduate Programs:

- **MASTER OF COMMERCE – (M.Com.)** (Advanced Accountancy)
- **MASTER OF SCIENCE – (M.Sc. IT.)** (Information Technology)
- **MASTER OF SCIENCE – (M.Sc. OC.)** (Organic Chemistry)

Bachelor of Science Hospitality Studies

The B.Sc. Hospitality Studies Course is a 3 year Bachelor's degree program conducted by Pillai HOC College of Arts, Science and Commerce (PHCASC) and affiliated to the prestigious University of Mumbai. The degree issued by the University of Mumbai is recognised as an outstanding qualification by the Hospitality and Service industry all over the world.

It is a comprehensive program of studies in Hospitality and Tourism Management that has been developed by faculties and eminent personalities from across India to provide a solid framework for professionals aspiring to enter the Indian and Global Hospitality and Tourism Industries.

The curriculum includes a host of co-curricular studies in professional grooming, and personality development as well as a range of industry visits and workshops. The curriculum empowers its graduates with the right blend of knowledge, skills, and motivation to aim and reach the top of the hospitality and service industry.

PHCASC has created some of India's best infrastructure for the Hospitality Studies Course that will make sure that students get both the practical and theoretical knowledge required to succeed in the emerging hospitality and tourism industries.

ADD ON COURSES

Pillai HOC College of Arts, Science and Commerce places an emphasis on add on courses that are beyond the syllaby that help for employability of the students.

PHCET

PILLAI HOC COLLEGE OF
ENGINEERING AND TECHNOLOGY

NAAC
GRADE **A**

PILLAI HOC COLLEGE OF ENGINEERING AND TECHNOLOGY (PHCET)

Mahatma Education Society after establishing its name in the field of education, with the experience of around 30 years, ventured into the field of Engineering education with the establishment of Pillai College of Engineering (PCE) in the year 1999 at Panvel. Subsequently, after successfully running PCE for more than a decade, MES set up the Pillai HOC College of Engineering and Technology (PHCET) at Rasayani in 2009. PHCET offers undergraduate (Bachelor of Engineering), postgraduate (Master in Engineering) & Ph.D. programs. Pillai HOC Polytechnic (PHP), established in 2009, is one of the top polytechnic institutes in Maharashtra has now also been merged with PHCET.

PHCET imparts quality education by experienced and expert faculty who work towards the holistic development of the students. PHCET works for academic improvement as well as industry readiness of the student through various value added courses and programmes. Our students receive individual guidance and assistance that prepare them for lifelong learning and growth in their fields. Through various initiatives in research and development as well as entrepreneurship programmes, we provide a platform for the students to hone their all-round abilities. These efforts and consequent accomplishments are some of the main reasons why PHCET was awarded 'A' grade by NAAC (first engineering institute in Raigad) in 2019. We are proud that departments of Computer Engineering & Mechanical Engineering have been re-accredited by the National Board of Accreditation (NBA).

PHCET, believes in encouraging the students by creating an atmosphere where learning is fun and prepare them for lifelong growth and development.

PROGRAMS CONDUCTED

PHCET offers undergraduate (Bachelor of Engineering) of four years, postgraduate (Master in Engineering) programs, as well as Ph.D. programs, which are all affiliated with the University of Mumbai.

Bachelor of Engineering (B.E.) :

- **Civil Engineering**
- **Mechanical Engineering**
- **Computer Engineering**
- **Information Technology**
- **Electrical Engineering**
- **Electronics and Computer Science**

Master of Engineering (M.E.) :

- **Civil Engineering (Construction Engineering & Management)**
- **Mechanical Engineering (Machine Design)**
- **Computer Engineering**
- **Electronics and Telecommunication Engineering**

Diploma in Engineering (Polytechnic) :

- **Computer Engineering**
- **Mechanical Engineering**
- **Civil Engineering**

PHCET offers the following Ph.D. programs :

- **Ph.D. in Civil Engineering**
- **Ph.D. in Computer Engineering**

ACCREDITATIONS AND ACHIEVEMENTS

NIRF Certificate

PHCET is accredited by the National Institutional Ranking framework (NIRF) certificate in the year 2021.

NBA Accreditation

Departments of Computer Engineering & Mechanical Engineering have been re-accredited by the National Board Of Accreditation (NBA).

NAAC 'A' Grade

PHCET is the first Engineering college in Raigad to be accredited with the prestigious 'A' Grade by NAAC.

ARIIA Certificate

PHCET (ARI-C-34105) has gained All India Rank in Band C (rank above 50) (Private or Self-Financed College) in Atal Ranking of Institutions on Innovation Achievements (ARIIA) 2020.

ISO Certificate

PHCET has got certified by the International Organisation for Standardisation in 2015.

Workplace Safety Awards 2019

PHCET has won the First Best position for "Workplace Safety Awards 2019" and received the award from the Bombay Chamber of Commerce and Industry (BCCI) on 24th October 2019.

'Best Infrastructure Award' by Lokmat

Pillai HOCL Campus has been awarded 'Best Infrastructure Award' for an educational campus by the Lokmat Group.

Swachhta Action Plan Institution

PHCET has got recognised and certified by the Swachhta Action Plan Institution.

RBNQA Performance Excellence Trophy 2019

PHCET has won IMC Ramkrishna Bajaj National Quality Performance Excellence Trophy 2019 in Education Category

PHCOA

PILLAI HOC COLLEGE OF ARCHITECTURE

PILLAI HOC COLLEGE OF ARCHITECTURE (PHCOA)

Pillai HOC College of Architecture (PHCOA) was established in 2010. PHCOA offers a five year full-time professional degree in architecture (B.Arch.) affiliated to the University of Mumbai and is recognized by the Council of Architecture (COA) and Government of Maharashtra.

Within the relatively short lifetime of PHCOA, it has established itself as one of the best colleges to pursue architectural education, not only in Maharashtra, but pan India also it is a highly sought after institution where students come to fulfill their dreams after high school. Apart from a rigorous academic curriculum, PHCOA stands out as its great connect with the professional and the academic world.

PHCOA students have excelled in the field of academics and research over the years. Our students from various batches have secured top academic merits within the Mumbai University, which has about 30 affiliated colleges. Our students have also won several prestigious national and international competitions and made us proud. They have participated successfully in many exhibitions and other participatory forums organized by other institutions. Many students have progressed in pursuing higher education in prestigious universities and colleges all over the world with scholarships and endowments. Our alumni have made us proud in universities in the USA, UK, Canada, Australia and also Indian universities of national importance.

PROGRAMS CONDUCTED

PHCOA offers a five-year Bachelor of Architecture (B.Arch.) degree course approved by the Council of Architecture, Government of Maharashtra and affiliated to the University of Mumbai.

The first year B. Arch. Course focuses on developing various skills and the language of expression required by students of Architecture; from the second year to the fourth year B. Arch. Students focus on subjects such as Architectural design, technical subjects that support their design assignments, and subjects like Humanities and Environmental Studies.

Students are expected to complete a Design Dissertation (Thesis) along with electives and supporting technical subjects in the fifth year. Over the five years, students also attend seminars, workshops, guest lectures by eminent architects and professionals and go for study tours and site visits.

BACHELOR OF ARCHITECTURE (B.Arch.)

ARCHITECTURAL VISITS

Our students pay site visits to strategic locations across the country to study and document the architectural heritage of India. These endeavours result in special publications of great academic value.

AFFILIATIONS AND RECOGNITIONS

COA

The five-year Bachelor Degree of Architecture (B.Arch.) is approved by the Council of Architecture (COA) in New Delhi.

Government of Maharashtra & DTE

Recognized by the Government of Maharashtra & Directorate of Technical Education (DTE).

University of Mumbai

PHCOA is affiliated to the prestigious University of Mumbai.

PHIMSR

PILLAI HOC INSTITUTE OF
MANAGEMENT STUDIES AND RESEARCH

PILLAI HOC INSTITUTE OF MANAGEMENT STUDIES AND RESEARCH (PHIMSR)

Pillai HOC Institute of Management Studies and Research (PHIMSR) was established in 2009. It is affiliated to the University of Mumbai, approved by the AICTE and recognized by the Government of Maharashtra.

PHIMSR offers students opportunities to interact with and learn from corporate professionals, business leaders, representatives of government and non-government organizations, artists, and intellectuals. All these successful figures regularly visit our campus on our invitation to deliver talks and presentations that provide insights into the careers and personal attributes of these role models.

Our industry-centric approach tries to reduce the gap between theory class sessions and the actual practical situation that makes managers better equipped to face the realities of the corporate world through a transformative program learning experience that gives the students a big-picture thinking, a confidence to act, and to execute the leadership capability.

PROGRAMS CONDUCTED

PHIMSR conducts post-graduate courses in management that are of 2 years in duration consisting of four academic semesters. These courses are open to candidates who have completed a Bachelor's Degree in any faculty of University of Mumbai or any other University recognized hereto.

MASTER OF MANAGEMENT STUDIES (MMS) / MASTER OF BUSINESS ADMINISTRATION (MBA)

(Approved by AICTE & affiliated to University of Mumbai)

POSTGRADUATE DIPLOMA IN MANAGEMENT (PGDM)

(Autonomous)

WHY CHOOSE US?

Industry-Oriented Teaching

Faculty members with rich industry & academic experience conduct the programmes. Regular guest lectures by top managers from the industry to enhance learning.

Learning-by-doing

Experiential learning to cover practical aspects of business. Students are exposed to various clubs, events and to get first hand experience of working in diverse teams. Conferences are conducted on trending topics in the business world.

All-Round Development

Co-curricular activities are regularly conducted to enhance the holistic development of the students & activities related to entrepreneurship, sports, culture and social service are an integral part of the two year programmes.

Infrastructure

World class state-of-the-art facilities in the whole campus. Cutting edge technology in computer and incubation laboratories and tech-enabled classrooms.

Placements

Well-known companies conduct placement drives to recruit our students. Training, grooming and guidance is provided at every step to ensure 100% placements for students.

Entrepreneurship

Expert mentorship to incubate new ideas to successful business. Co-working spaces and facilities to support new start-ups and family businesses. Business Plan Competition with ₹ 1 lakh Prize Money is conducted annually.

Mentor-Mentee Relationship

Experienced faculty to mentor students throughout the duration of the programme. Regular meetings to provide guidance on every aspect of the student's lives.

Tatva Job Fair

A Job Fair organized by PHIMSR faculty & students wherein more than 150 mid-size to blue-chip participating companies visit the campus.

PLACEMENT SUMMARY

Team PHIMSR believes in dedication, determination and disciplined efforts. Our future leaders are groomed keeping in mind the current needs and challenges faced by the business world. The academic inputs by experienced faculty, corporate interactions coupled with rigorous training process enable students to build a strong foundation for successful corporate journey.

INFRASTRUCTURE

Mahatma Education Society is known for its state-of-the-art educational infrastructure across India and the Pillai HOCL Educational Campus infrastructure is no different. No expense has been spared for creating the world class facilities in the campus.

**'BEST INFRASTRUCTURE AWARD' FOR AN EDUCATIONAL CAMPUS
- LOKMAT GROUP (2018)**

LIFE AT PILLAI HOCL EDUCATIONAL CAMPUS

Pillai HOCL Educational Campus is a place that students love dearly and share a deep sense of belonging. There are all kinds of co-curricular and extra-curricular activities such as sports, gymnasium, as well as social and cultural activities all round the year.

FULLY EQUIPPED GYMNASIUM

The Pillai HOCL Educational Campus boasts a gymnasium that has all the fitness equipment required for a great workout with machines such as treadmills, cross trainers, leg & chest press, etc. and many free weights available.

AUDITORIUM

Fully air-conditioned and automated modern auditorium with a capacity to accommodate more than 1500 people.

CANTEEN

A safe place where you can have good, clean food with very affordable prices for everyone and a menu that can match leading restaurants and tastes of homely food.

CREATIVITY

Students are encouraged to explore their creative & artistic side by allowing them to use the campus walls as their canvas for creating beautiful wall murals.

SPORTS

The Pillai HOCL Educational Campus is popular for its sporting infrastructure & achievements. The campus itself is a centre for Sports Authority of India & Khelo India. Below are some of the sporting infrastructure available at the campus :

- 400 metres Athletics track
- 4 outdoor Volleyball courts
- Basketball court
- Temporary Boxing Ring
- Taekwondo training hall
- Gymkhana/Health club with Weight training facility
- Table tennis, Carrom, Chess & other Indoor Games Facilities
- Full-sized Football field
- Full-sized Handball court
- Kho- kho Arena
- Kabaddi playing area
- 10m Air-rifle shooting range

STUDENT ACTIVITIES AND EVENTS

For each college in the campus, you'll find different student extra-curricular activities that help the students to develop and improve their personalities and help create friendships that last for a lifetime.

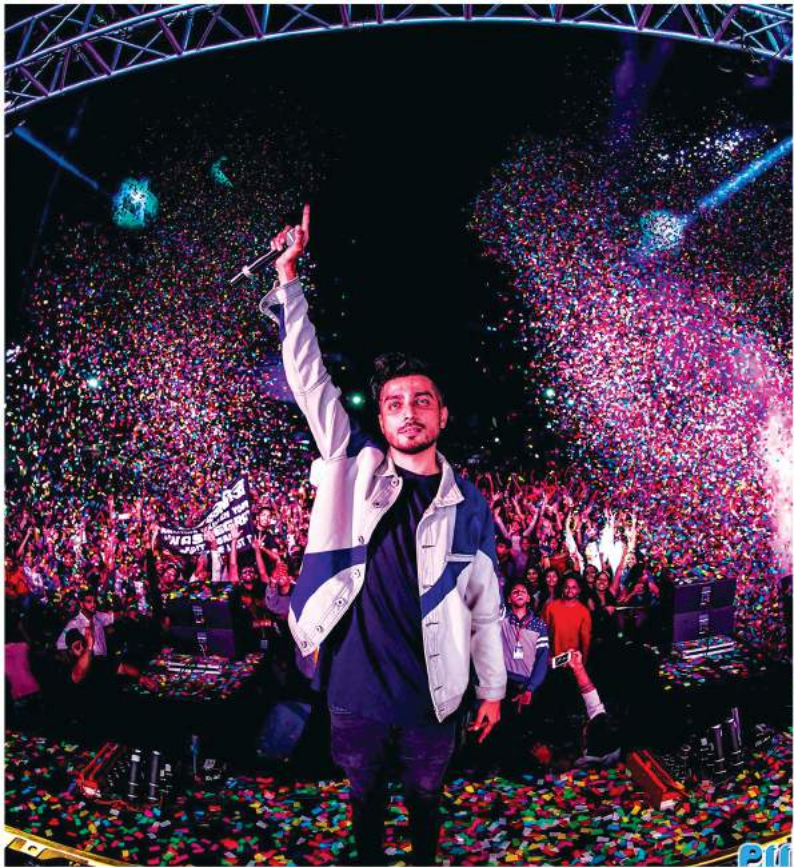

EUFORIA FESTIVAL

Euforia is the annual intercollegiate cultural festival of the Pillai HOCL Educational Campus that showcases the abundance of talent and creativity amongst our students. The festival has become one of the biggest college festivals in Maharashtra with celebrities and stars visiting the campus during the four days of the festival.

EUFORIA CONCERT

Pillai Euforia is also known for the epic concerts that are conducted on the last day of the festival. Some of India's best DJs come and perform at the Euforia year after year to huge crowds that dance their hearts out from start to finish. DJ Chetas, Lost Stories, Shaan, DJ Shadow, Ali Merchant, Teri Miko, Candice Redding, Nikhil Chinapa and Nina Suerte are just some of the DJs who have performed at Euforia.

HOSTEL FACILITIES

The Pillai HOCL Educational Campus seeks to make high quality education accessible to everyone regardless of their location. Since 2010, all those associated with the Mahatma Education Society have been enjoying access to the modern, excellent Pillai hostel facilities of Panvel & Rasayani. Each hostel building has been designed to create the perfect study environment as well as a place in which students can pursue their personal talents including sports and other extra-curricular activities. All hostel facilities are located close to the college itself making it very convenient for all staff and students!

Many facilities are available to ensure that the inmates are comfortable and satisfied:

- Hostel Canteen offering Breakfast and Dinner
- Fully furnished rooms
- Daily Cleaning Services
- 24/7 Security Personnel and CCTV
- Fast Wifi Connection
- Social Areas

ALUMNI TESTIMONIALS

PHCET

GOPU PRASAD

Technical Sales Executive - Defence Sector

PHCET is one of the best places one can secure the base as an engineer. Here, while one gets their academics in-line for the future, the professors at the same time also helps one to gain the much needed market knowledge with the current trends and practices in industries.

THETHA DAS

Associate Consultant - Atos Syntel

I am from Comp BE 2015-19 batch, really glad and thankful to belong to such magnificent campus and college. PHCET is not only academically sound, but the festivals, sports meets and all other extra curricular activities make it a holistic choice for ones 4 year stint as an Engineer.

PHCASC

T-Ball

ASHISH YADAV

Deputy Manager - National Stock Exchange

As a student I had an unforgettable three years at PHCASC. The college was always buzzing with activity and I was fortunate enough to be one of the founding students of Euforia festival. I am sure that the highly knowledgeable and experienced faculty at PHCASC will make sure you are prepared for the challenging world ahead.

ARFAT BUBERE

Analyst - Deloitte

I am proud to have studied at PHCASC for both my Bachelor's and Masters studies in IT. Because of the knowledge and guidance the college provided me I was able to develop the necessary skills required for industry which in turn helped me get placed as an analyst at Deloitte.

PHIMSR

NUMAAN SHAIKH

Functional Consultant - TWO Cloud (Microsoft), Dubai

My alma mater has played an integral role of shaping me to become the person I am. The faculty at PHIMSR combined with the pedagogic learning has moulded me into a smarter professional with the ability to analyse business requirements and make informed decisions.

BHAVANA PARDESHI

Senior Consultant - Deloitte

At PHIMSR, I got all that which is required for taking a transition from Campus to Corporate. The Director Sir, Permanent Facilities & Visiting Faculties at PHIMSR are highly qualified and experienced. Looking back, I am a completely changed person in every aspect. I am grateful for everything I learned.

PHCOA

CHAITRALI RANE

Junior Architect - Sanjay Puri Architects

My journey in PHCOA has played an integral role with respect to my achievements and career. The true strength of our college lies within the expansiveness of our core faculty and their zeal to educate and nurture the students, not only in academic activities, but also with the extracurricular site visits, Architectural competitions and exhibitions.

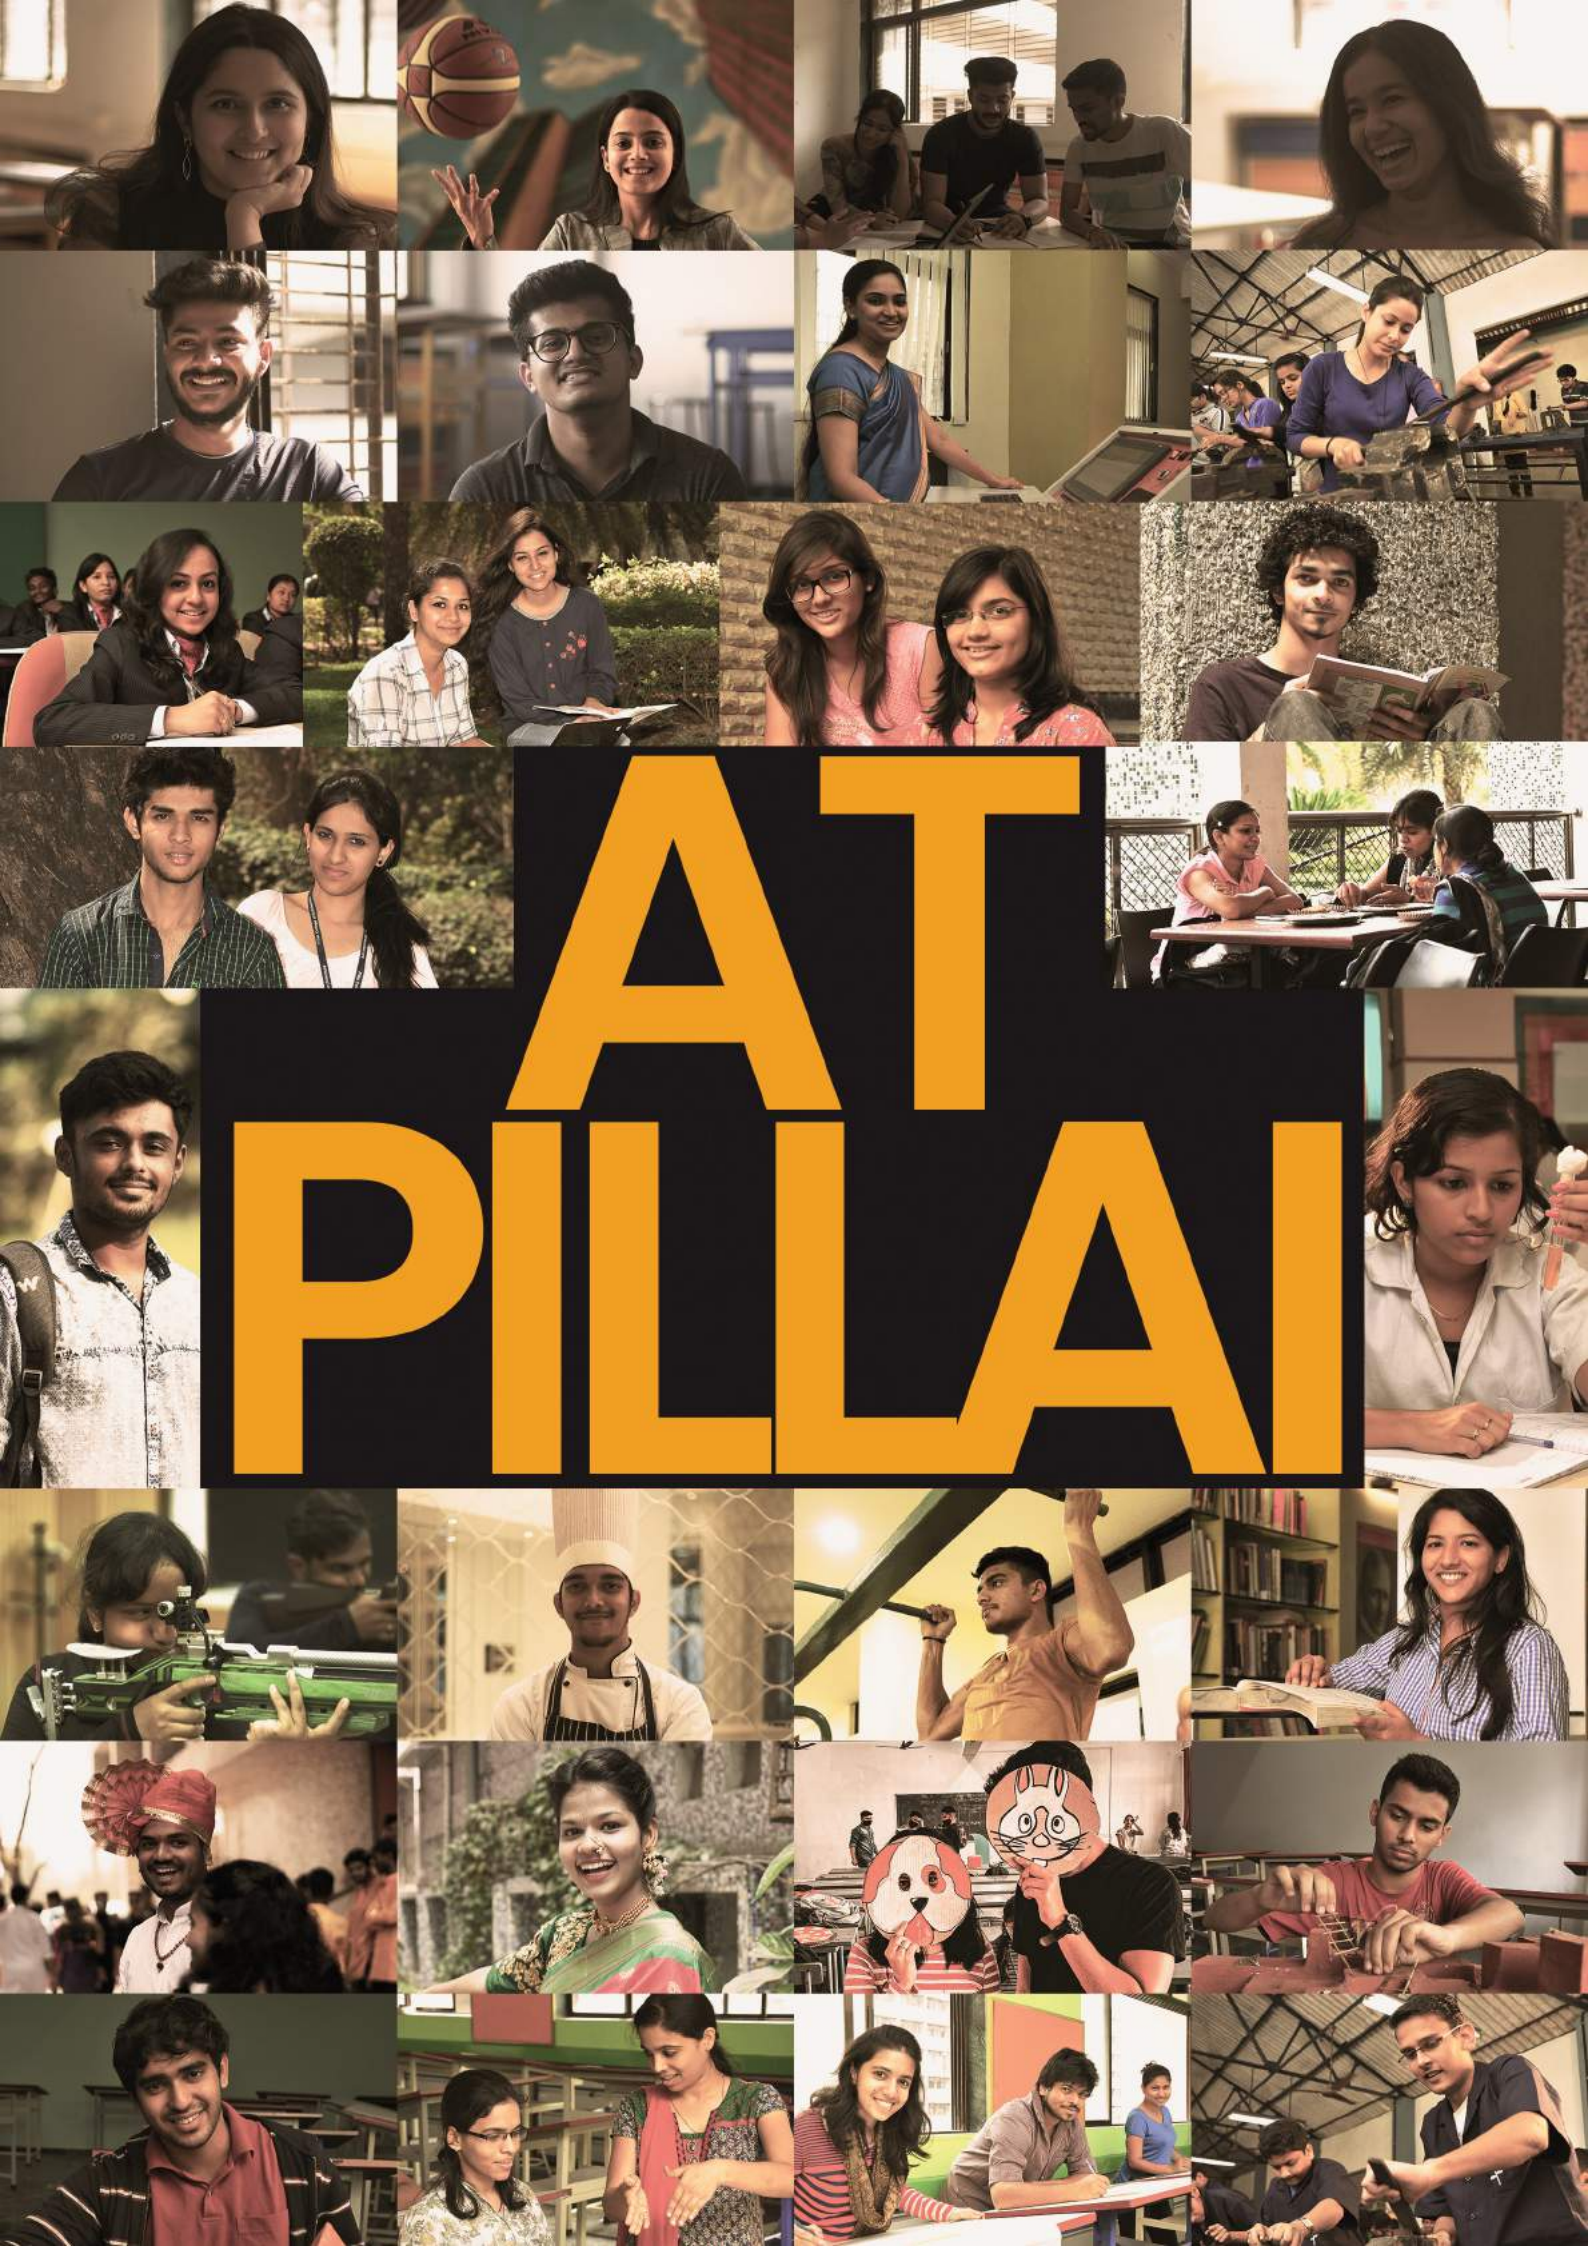

NIHAR MHATRE

MCRP Candidate - Rutgers University

It was an incredible experience to have professors enthusiastic about seeing me succeed and ready to provide one-on-one assistance whenever I needed it. Serving on the Student Council as the general secretary for two years was a privilege and a wonderful learning experience. PHCOA has played a huge role in making me the person I am today.
